

SELF RELIANCE

FIRST & LAST NAME: _____

Self Reliance means "I can do it by myself!" When we try new things, it can take time and practice before we get it right. Many times we must "try, try again!" Other times, we need to ask for help. Look at our friends below. Should they "try, try again," should they ask someone for help, or should they quit? Circle what you think is the right answer.

Coco is learning how to play a new song. She is making a lot of mistakes. She feels frustrated.
