# ACCOUNTABILITY

FIRST & LAST NAME: \_\_\_\_\_

Accountability means taking responsibility for our own choices, mistakes and actions. It is a key part of goal-setting and goal achievement. Think through your own goal and create an accountability plan that will help you to realize that goal. We're rooting for you!

## Accountability Action Plan!

Answer these accountability questions to help you take steps towards achieving your goal.

What will you do?		When will you do it?
(1) _____		(1) _____
(2) _____		(2) _____
(3) _____		(3) _____

Your accountability partner is the person to whom you'll tell your goal and what you will do to get there! Your accountability partner is also the person you can tell when you did everything you said you were going to do. Who will be your accountability partner? \_\_\_\_\_
